

Dear Camping friend and holiday guest,

Outdoor people who love nature will feel at home on the TERRASSEN-Campingplatz in Herbolzheim where you can enjoy a relaxed holiday in a beautiful countryside.

The peaceful situation and mild climate in this area make it ideal for people wanting to get away from it all and simply relax and unwind.

For our little guests the campsite is a safe and happy environment with play areas and table tennis tables.

There is a restaurant offering good local fare which can be eaten in the restaurant or taken away.

The campsite is equipped with hot showers (no charge), baby baths & changing facilities, separate disabled facilities and washing machines & dryers.

The Hugoschmidt family and team are on site to ensure a good service at all times.

On the TERRASSEN-Campingplatz guests can relax and choose from the many possibilities available to them.

Behind to the site is a Tennis club and large heated outdoor swimming complex with mini-golf both at a minimum cost.

Golfers can play either 9 or 18 holes at a nearby golf club by prior arrangement.
E-Mail address: www.golfclub-breisgau.de

The campsite offers pitches on a quiet terraced area with both sun and shade and tarred roads.

The large pitches are grassed and generate a cared-for garden atmosphere with space for parking adjacent to the caravan.

Herbolzheim is on the Badischen Wineroute with plenty of opportunities for visiting wineries and numerous tourist attractions in the Black Forest. France and Switzerland are both within easy reach.
